# THE CENTENNIAL LINE OF PLASTIC TOYS

VOLUME 1 to 4

The first of our four new catalogues on the famous Reliable Plastics Range is this great new Sun and Sand Catalogue — the Reliable Spring and Summer Range.

With this new catalogue, we have published the second section — covering our big new Reliable gun series, including many new sets and displays now being made available.

Very soon now the third section of our new plastics catalogues will be on the press — including many brand new car and truck items — big news on displays, too.

Next to be delivered is Dinnerware and Tea Set Catalogue covering the great new range from Reliable and featuring exclusive Walt Disney sets.
